STAT

1. As you requested, I called  FE/DD/P, regarding cable IN 95303 requesting copies of legislation on National Security. He requested we prepare the necessary material.

2. These documents are suggested as a basic package of material on National Security. They include:

- (a) The National Security Act of 1947;
- (b) The Central Intelligence Agency Act of 1949;
- (c) The Internal Security Act of 1950;
- (d) Laws relating to espionage, sabotage, etc., compiled by Gilman Udell;
- (e) 1957 Report of the Commission on Government Security (Wright Commission);
- (f) Internal Security Manual (Revised to January 1, 1961).

3. I have not included amendments to the basic acts other than those in the manuals.
